PURCHASE AGENT

Business license owned by LATA is no limitation in HS Code

Therefore it's possible to deal a wide range of goods. (The Foreign enterprises, which have recently acquired Export-Import License, are allowed to deal in up to 20 items HS code).

LATA sales products to FDI companies using bonded warehouse

At this moment, we are making use of both Bonded Warehouse of Nippon Express and DASUKA local forwarder as the situation demands of low cost performance and short term of delivery deadline and it enables us to do warehouse-operation with mobility.
